

Nathan Gomes

Computer Science undergraduate with hands-on experience in AWS, Azure, and cloud infrastructure. Completed an IT/Cloud Support internship focused on deployment, infrastructure as code, and CI/CD. Seeking an entry-level software or IT role.

RELEVANT EXPERIENCE

HCL, Mississauga — Internship (IT/Cloud Support Engineer)

May 2024 - August 2024

- Supported cloud infrastructure deployments across **AWS and Microsoft Azure**, working with compute, storage, networking, and monitoring services
- Assisted with **CI/CD workflows, automation, and monitoring** to support reliable cloud operations
- Earned **AWS DevOps and HCL cloud certifications**, demonstrating proficiency in compute, storage, networking, and infrastructure automation
- Implemented **Infrastructure as Code (IaC)** using **AWS CloudFormation and Terraform** to provision and manage cloud resources across environments

ADDITIONAL WORK EXPERIENCE

LCBO, Mississauga — Customer Service Representative

May 2023 - August 2023

- Maintained **compliance with Ontario liquor laws** while fostering a **welcoming and safe retail environment**.
- **Operated point-of-sale (POS) systems** accurately and efficiently, processing transactions and **managing cash handling procedures**.

PROJECTS

Cloud Infrastructure Automation Project

- Designed and deployed cloud infrastructure using **AWS and Terraform**
- Provisioned compute, networking, monitoring and resources using infrastructure as Code
- Focused on automation, scalability, and cost-aware design

EDUCATION

Wilfrid Laurier University, Waterloo — BSc Computer Science

September 2022 - April 2026

Relevant Coursework:

Software & Data: Data Structures, Databases, Machine learning, Software Engineering, Programming for Big Data

Systems & Hardware: Digital Electronics

Analytics & Visualizations: Data Visualization
